PROJECT NAME:

APPLICATION OF PROJECT:

PROJECT DESCRIPTION:

(May be used on PowerPoint Presentation)

2016 LSAA DESIGN AWARDS ENTRY FORM PART C

Note: Part C is REQUIRED and will be distributed to the Judging Panel to assist in their appreciation of the background and details of the entry.

This form is to have the responses typed in the places provided and be submitted electronically after filling in the forms. This information may be used in a PowerPoint Presentation and an edited version is likely to become an article on the LSAA website.

Remember that entries should reflect the aspirations of "Lightweight Structures" where shape/form is optimized and material usage is minimized.

DESIGN / FABRICATION / INSTALLATION BRIEF

Give an outline and your overall response to the design brief or instructions from the client etc. on which the design / fabrication / installation was based:

STRUCTURAL SYSTEMS (if entering as the Designer / Engineer / Architect)

Give an outline of the structural system used for the project, including details on the design loadings, ground conditions, geometry, and method of arriving at the final solution:

PART C Continued.

MATERIALS

Give an outline of the materials used in the structure, including the source and reasons for adopting the materials chosen:

FABRICATION

Describe the fabrication techniques and equipment used, including special methods employed and level of tolerances required:

COLLABORATION, CONSTRUCTION AND MAINTENANCE

Describe techniques of collaboration, the method of construction and the planned maintenance program for the structure:

COSTS

Give details of the costs involved in the design, fabrication and construction of the project (if known and non-confidential):

OTHER INFORMATION

Please enclose further information on the project such as drawings and technical notes as appropriate. These should NOT identify the entrant if at all possible. CAD drawings should be submitted as PDF files for viewing by the judging panel who will NOT have access to design / CAD software.

PAYMENTS AND CHECK LIST

Remember

1. to include good quality digital photographs and captions as described in the Entry Rules.
2. Entry Fees are \$150 per project for LSAA Financial members or \$200 per project for non-members.
3. Direct Deposit of Entry Fees is preferred. Also see point 7 below if wishing to pay by Credit Card through our external booking agent Eventbrite

LSAA Bank Details (for direct deposit, email details):
ANZ, Account: Lightweight Structures Association of Australasia,
BSB: 013 267, Account: 3524 14135

If using Direct Deposits, please use as a Reference
